Read the paragraph below and decide what might happen next in the story. Who will Lorenzo and Lucy meet? Will this animal be a friend, or foe? Use your imagination!

One day, when Lorenzo and Lucy were walking in the woods Lorenzo saw something very strange. There were hundreds of tiny little footprints all over the ground. They looked closer to see what animal the prints belonged to. Just then, they heard a rustling sound coming from the bushes behind them. They were surprised as they turned around and saw standing before them none other than……
